Giraffe Class Newsletter- term 2

I hope you all had a lovely break and managed to relax and have lots of family fun.

This term, we shall be focusing on non-fiction texts and finding out information about the polar regions. We shall using this knowledge to write facts. We will also be learning to write the trick words accurately within our independent writing- I, no, go, me, my, the, all, here, their, people, you, your, some, little, they.

In Numeracy we shall be continuing to work hard with numbers. We shall be looking at addition and subtraction and then moving onto shapes, both 2D and 3D.

In Science we shall be learning everyday materials.

This term we shall be developing our knowledge in Geography- We shall be learning about the local area, looking at maps and using this knowledge to create our own versions.

In PSHE we shall be learning – Connecting with others- How I make others and myself feel happy and safe.

In RE we shall be learning about Incarnation, with a focus on – Why does Christmas matter to Christians. We shall be looking at the Christmas bible story and using this knowledge to help us with the school nativity.

The year 1 children will be the main actors in the nativity Thursday 10th December at 2pm. Please keep this date free in your diaries as we would love you all to come and watch it.
