

GIRAFFE CLASS NEWSLETTER

This term in English we shall be focusing on continuing to develop our writing skills. We shall be thinking about making predictions and using time connectives: next, then, after that and finally. We shall also be introducing how to use a thesaurus enabling us to develop our language skills and use a wide range of adjectives.

Maths: We shall be starting to look at early multiplication and division and identifying what this looks like, for example:

Circle the rows and complete the stem sentences.

There are ___ rows of ___

There are ___ altogether.

We shall also be looking at how to split 2d shapes into halves and quarters.

History: we shall be finding out about different explorers from the past and present. We will be thinking about how they travelled and what equipment they used.

Science: we will be learning about plants, deciduous and evergreen trees, sorting seeds and finding out which plants parts we can eat.

Art: we shall be making 3D sculptures with paper. We will be using a range of techniques such as cutting, rolling and folding.

PSHE: this term we shall be thinking about money, how we pay for things and how to keep money safe.
