Comments re the 3 areas 80%+ positive responses were not received:					
1)Bullying being dealt with effectively, Although not 80% positive responses, 42% did not comment so hoping (from checking with some parents) that this was because their child had not experienced this.					
2)The school responds well to concerns – again, 22% of parents had not raised a concern so did not feel able to respond either way to this statement.					
3)Wraparound care – Although 16% could not comment / do not use the services offered, from the comments and fact that the club is more stable now a few terms in to the new hours / days of offer, we will look at costs as it is this that has been raised for us to consider.
