- We would to express our deepest gratitude for the opportunity to look behind the scenes of the school, where we saw so many beautiful and interesting things! I can imagine how interesting everything is for the children, because we liked everything so much that we also imagined ourselves as children and started playing! Thank you for the delicious lunch. The desserts were very tasty! Everything was organised and made with care for the children! Thank you very much again! We are very happy that our child studies at such a wonderful school!

### Year 2

- Lots of fun eating sand jelly in the mud kitchen. Great to meet some of the newer children to the class and chat with them over lunch.
