

# ✨ **World Book Day - Vocabulary Parade Extravaganza!** ✨

**Date: Thursday 6<sup>th</sup> March**

 ✨ Get ready to celebrate World Book Day in an exciting and imaginative way with our **Vocabulary Parade!** 

After last year's fantastic success, we're bringing back the Vocabulary Parade—bigger, bolder, and even more creative! Instead of dressing as book characters, this celebration is all about bringing words to life in a fun and imaginative way.

Children are invited to **choose a word that fascinates, inspires, or sparks curiosity**—a word that tells its own story and makes books so exciting. Think beyond the obvious and pick a word that paints a picture, evokes emotion, or ignites wonder!

Let's fill our school with the magic of language and showcase the incredible words that make our books so special. Think outside the box, get creative, and let your chosen word shine! ✨

## **Ways to Get Involved:**

1. **Wearable Words:** Display your chosen word loud and proud—wear it on a sign around your neck or simply carry it for all to see.
2. **Hats Off to Words:** Design a hat that creatively showcases your word. Let your headgear do the talking!
3. **Become the Word:** Dress up to visually represent your word—how can you bring it to life?
4. **Wordplay Costumes:** Get clever with puns, idioms, or phrases—let your outfit be an expression of language itself.

The more **descriptive and imaginative** your word, the better! Try choosing adjectives or words that evoke emotions—instead of "pilot," why not become "adventurous"?

Throughout the day, we'll dive into exciting word-inspired activities to celebrate the magic of language. Get ready for a day filled with creativity, exploration, and fun!

So, grab your dictionaries, unleash your imagination, and let's make this year's Vocabulary Parade even more extraordinary than before! Who will discover the most brilliant word? Let's find out as words take centre stage and creativity knows no bounds! 

Warm regards,

[Mrs Desai and Events Team ]  ✨
