

## Giraffe Class Newsletter- term 3

I hope you all had a lovely break and managed to relax and have lots of family fun.

This term, we shall be looking at stories with a familiar setting in Literacy. We shall use these stories to help us write our own stories, using a variety of adjectives. We will also be focusing on writing the days of the week.

In Numeracy we shall be continuing to work hard with numbers- We shall be using number-lines and estimating where the numbers are positioned. Then we shall be moving on to addition and subtraction and doubling numbers.

In Science we shall be learning about the 5 different senses.

This term we shall be developing our knowledge in History- We shall be learning about how toys have changed over the years.

In RE we shall be learning about the Gospels with specific focus on –What is the good news that Jesus brings?

This will be finding out that for many Christians bringing good news is being loved by God and being forgiven for bad things, that Jesus is a friend to the poor and friendless and that his teachings makes people think hard about how they live and show them the right way.
