<b>Comments re the 3 areas 80%+ positive responses were not received:</b>					
1)Pupils are well behaved – 75% agree and 13% of parents are not sure so we need to share more how well behaved children are at Sissinghurst. We will ask parents, staff and children how we can do this better.					
2) Bullying being dealt with effectively - Although not 80% positive responses, 50% did not comment so hoping (from checking with some parents) that this was because their child had not experienced this.					
3)Wraparound care – Although 23% could not comment / do not use the services offered, from the comments we can see that parents would score more highly if we offered a staggered finish and pricing. Unfortunately we are not able to offer this due to staffing and allowing parents to book later. If we asked for termly bookings we could look at this option as we would know what the need was and staff accordingly. We will seek parental views on this option.
