

Sissinghurst Church of England VA Primary

Our School Vision

Let Your Light Shine – Matthew 5:16

At Sissinghurst Church of England Primary School in partnership with the Church, parents, and wider community, we offer an inclusive learning environment to nurture potential that enables all to be successful. Vibrant, rich curricular opportunities equip everyone with knowledge and skills to question, discuss and challenge.

Everyone's talents are discovered and celebrated. We foster spiritual growth and reflection to find wonder and joy in the World together. As light bearers, our shared responsibility is to encourage each other to be compassionate and kind so we can all shine with integrity, humility and wisdom. We find courage to act when we know there is darkness, illuminating the World with God's light and hope.

We are dedicated to providing an education of the highest quality within the context of Christian belief and practice. Our Christian values of:

Kindness Forgiveness Courage Service

1. Policy aims and scope

- This policy has been written by Sissinghurst CE (VA) Primary School involving staff, pupils and parents/carers, building on Kent County Councils LADO Education Safeguarding Advisory Service Social Media policy template, with specialist advice and input as required.
- It takes into account the Department for Education (DfE) statutory guidance '[Keeping Children Safe in Education](#)' (KCSIE), [Early Years and Foundation Stage \(EYFS\)](#) '[Working Together to Safeguard Children](#)' (WTSC) and non-statutory DfE '[Behaviour in Schools Advice for headteachers and school staff](#)' '[Mobile Phones in Schools](#)', '[Preventing and Tackling the Bullying and Harassment of School Staff](#)' and '[Searching, screening and confiscation at school](#)', and the local [Kent Safeguarding Children Multi-agency Partnership](#) (KSCMP) procedures.
- The purpose of this policy is to safeguard and promote the welfare of all members of Sissinghurst CE (VA) Primary School community when using social media.
 - Sissinghurst CE (VA) Primary School recognises that online safety is an essential part of safeguarding and acknowledges its duty to ensure that all pupils and staff are protected from potential harm when using social media.
 - As outlined in our child protection policy, the Designated Safeguarding Lead (DSL), Sarah Holman Headteacher, is recognised as having overall responsibility for online safety.
- The policy applies to all use of social media; the term social media includes, but is not limited to, blogs, wikis, social networking sites, forums, bulletin boards, online gaming, apps, video/photo sharing sites, chatrooms and instant messenger apps or other online communication services.
- This policy applies to pupils, parents/carers and all staff, including the governing body, leadership team, teachers, support staff, external contractors, visitors, volunteers and other individuals who work for, or provide services on behalf of the setting (collectively referred to as "staff" in this policy).

2. Links with other policies

- This policy links with several other policies, practices and action plans, including but not limited to:
 - Anti-bullying policy
 - Acceptable Use Policies (AUP)
 - Behaviour policy
 - Image use policy
 - Child protection policy including Online safety
 - Home-school agreement / parental code of conduct
 - Complaints policy
 - Staff Handbook / Code of conduct
 - Confidentiality Policy
 - Curriculum policies, such as: Computing, Personal Social and Health Education (PSHE), Citizenship and Relationships and Sex Education (RSE)
 - Data Security

- Mobile and smart technology
- Searching, screening and confiscation guidance

3. General social media expectations

- Sissinghurst CE (VA) Primary School believes everyone should be treated with kindness, respect and dignity. Even though online spaces may differ in many ways, the same standards of behaviour are expected online as offline and all members of the Sissinghurst CE (VA) Primary School community are expected to engage in social media in a positive and responsible manner.
- All members of the Sissinghurst CE (VA) Primary School community are advised not to post or share content that may be considered threatening, hurtful or defamatory to others on any social media service.
- We will control learner and staff access to social media whilst using school provided devices and systems on site. Our school filtering and monitoring systems are provided through RM Connectivity Services, more information can be found in our child protection policy. Pupils are not permitted access to social media in school. Where staff require access to specific social media sites for the purpose of work such as WhatsApp or Telegram groups to communicate with other schools or professional learning communities or X (Twitter) a request can be made to RM Connectivity Services to permit access to these sites through the school wifi, such requests will need to be verified by the Headteacher.
- Inappropriate or excessive use of social media during school hours or whilst using school devices may result in removal of internet access and/or disciplinary action.
- The use of social media or apps, for example as a formal remote learning platform will be robustly risk assessed by the DSL and/or headteacher prior to use. Any use will take place in accordance with our remote learning Acceptable Use Policy.
- We expect members of our school community to use social media responsibly and respectfully. Concerns about the school, it's staff or children should be raised through the school published procedures wherever possible. Online conduct that is abusive, harassing, threatening, defamatory or otherwise inappropriate may be addressed in line with relevant policies and procedures and, where appropriate, reported to external agencies.
- Concerns regarding the online conduct of any member of Sissinghurst CE (VA) Primary School community on social media will be taken seriously. This includes concerns relating to online complaints, harassment, intimidation or abuse directed towards staff, children or other members of the community. Concerns will be managed in accordance with the appropriate policies, including anti-bullying, allegations against staff, behaviour, home school-agreements, staff code of conduct, Acceptable Use Policies, and child protection.

4. Staff use of social media

- The use of social media during school hours for personal use is permitted for staff during break times but only in areas of the school which are deemed adult only including the office areas and staffroom in accordance with our school Acceptable Use, safeguarding, image use, mobile technology use policies.

- Safe and professional online behaviour is outlined for all members of staff, including volunteers, as part of our code of conduct policy and acceptable use of technology policy.
- The safe and responsible use of social media sites will be discussed with all members of staff as part of staff induction. Staff play a key role in creating an environment where children feel safe to discuss their online experiences and report concerns. Advice will be provided and updated via staff training and additional guidance and resources will be shared with staff as required on a regular basis.
- Staff should be mindful of emerging technologies, including artificial intelligence tools and automated features, and must not use these in ways which could compromise confidentiality, professional standards or the safety and wellbeing of children.

4.1 Reputation

- All members of staff are advised that their online conduct on social media can have an impact on their role and reputation within the school. Civil, legal or disciplinary action may be taken if staff are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.
- Members of staff are advised that content shared on social media may be widely viewed, copied or redistributed beyond their control. All members of staff are therefore advised to safeguard themselves and their privacy when using social media. This may include, but is not limited to:
 - Setting appropriate privacy levels on their personal accounts/sites.
 - Being aware of the implications of using location sharing services.
 - Opting out of public listings on social networking sites.
 - Logging out of accounts after use.
 - Using strong passwords.
 - Ensuring staff do not represent their personal views as being that of the school.
- Members of staff are encouraged not to identify themselves as employees of Sissinghurst CE (VA) Primary School on their personal social networking accounts; this is to prevent information being linked with the setting and to safeguard the privacy of staff members.
- All staff are expected to ensure that their social media use is compatible with their professional role and is in accordance with our policies and the wider professional reputation and legal frameworks, for example, the [Teacher's Standards](#). All members of staff are encouraged to carefully consider the information, including text and images, they share and post on social media.
- Information and content that staff members have access to as part of their employment, including photos and personal information about pupils and their family members or colleagues, will not be shared or discussed on social media sites.
- Members of staff will notify the leadership team and/or the Designated Safeguarding Lead immediately if they have concerns about content shared online which may impact their role, the setting, or the safety and wellbeing of children.

4.2 Communicating with pupils and their families

- Staff will not use any personal social media accounts to contact pupils or their family members. This is to maintain clear professional boundaries and safeguard both children and staff.
- All members of staff are advised not to communicate with or add any current or past pupils or their family members, as 'friends' on any personal social media accounts.
- Any communication from pupils and parents/carers received on personal social media accounts will be reported to the DSL (or deputy) and/or the Headteacher.
- Any pre-existing relationships or situations, which mean staff cannot comply with this requirement, will be discussed with the DSL and the Headteacher. Decisions made and advice provided in these situations will be formally recorded to safeguard pupils, members of staff and the setting.
- If ongoing contact with pupils is required once they have left the setting, members of staff will be expected to use existing alumni networks, or use official setting provided communication tools.

5. Official use of social media

- Sissinghurst CE (VA) Primary School official social media channel is Sissinghurst School X (Twitter) Page <https://x.com/sissinghurstVA> . The FoSS have a Facebook page but this is not an official school social media channel, this page is monitored by the FoSS not the Headteacher or school staff however the social media policy has been shared with the FoSS and any breach of the policy on this page should be reported to the DSL and/or Headteacher.
- The official use of social media sites by Sissinghurst CE (VA) Primary School only takes place with clear educational or community engagement objectives and with specific intended outcomes.
 - Official social media sites are suitably protected and run by the Headteacher and school office. Official social media channels have been set up as distinct and dedicated accounts for official educational or engagement purposes only.
 - Staff use setting provided email addresses to register for and manage official social media channels.
 - Leadership staff have access to account information and login details for our social media channels, in case of emergency, such as staff absence.
- Official social media use will be conducted in line with existing policies, including but not limited to anti-bullying, image use, GDPR, confidentiality and child protection.
- All communication on official social media platforms by staff on behalf of the setting will be clear, transparent and open to scrutiny. Public communications on behalf of the setting will, where appropriate and possible, be read and agreed by at least one other colleague.
- Sissinghurst Primary School will ensure that arrangements are in place to monitor and moderate comments, messages and interactions on official social media channels where these functions are enabled.

- Parents/carers and pupils will be informed of any official social media use, along with expectations for safe use and action taken to safeguard the community.
- Parents and carers will be informed of any official social media use with pupils; any official social media activity involving pupils will be moderated if possible and written parental consent will be obtained as required.
- We will ensure that any official social media use does not exclude members of the community who are unable or unwilling to use social media channels.
- Members of staff who follow and/or like our official social media channels will be advised to use dedicated professional accounts where possible, to avoid blurring professional boundaries.
- If members of staff are managing and/or participating in online social media activity as part of their capacity as an employee of the setting, they will:
 - Read and understand our Acceptable Use Policy.
 - Where they are running official accounts, sign our social media Acceptable Use Policy.
 - Be aware they are an ambassador for the school.
 - Be professional, responsible, credible, fair and honest, and consider how the information being published could be perceived or shared.
 - Always act within the legal frameworks they would adhere to within the workplace, including libel, defamation, confidentiality, copyright, data protection and equalities laws.
 - Follow our image use policy at all times, for example ensuring that appropriate consent has been given before sharing images.
 - Not disclose information, make commitments or engage in activities on behalf of the setting, unless they are authorised to do so.
 - Not engage with any private or direct messaging with current or past pupils or their family members.
 - Inform their line manager, the DSL (or deputy) and/or the Headteacher of any concerns, such as criticism, inappropriate content or contact from pupils.
- Any planned use of social media or online platforms with children for educational purposes will be risk assessed and appropriately supervised.

5.1 Use of images

- The use of photographs, videos and livestreamed content featuring children, staff or other members of the school community will be undertaken in accordance with our image use policy, data protection requirements and safeguarding procedures.
- Before publishing images on social media, we will consider whether the content is necessary, proportionate and appropriate, taking account of safeguarding, privacy and potential online risks.
- We will not routinely publish unnecessary identifying information alongside images, such as full names, personal details, locations, routines or information which could increase the risk of an individual being identified or targeted.
- We recognise that images shared online may be copied, redistributed, manipulated or misused, including through the use of artificial intelligence and other emerging technologies. We will take reasonable steps to minimise risk when selecting, storing and sharing imagery.

- Where images or recordings are shared via official social media channels, this will take place in line with the school's consent processes, image use procedures and data protection requirements.

6. Pupil use of social media

- Sissinghurst Primary School recognises that the use of social media by children presents opportunities for learning, entertainment and participation. However, it can also bring safeguarding risks, including exposure to harmful content, contact from unknown individuals, abuse, and pressures linked to online interactions.
- The use of social media during school hours for personal use is not permitted for pupils in line with safeguarding, behaviour and curriculum considerations.
- While much online behaviour takes place off-site, outside of the school day, we will work in partnership with parents/carers, who play an essential role in ensuring children's safe use of technology.
- We take a contextual safeguarding approach to online behaviour and recognise that children's experiences outside the setting, including online, can have a significant impact on their safety and wellbeing. Where behaviour online poses a risk of harm to a child, impacts the safety or wellbeing of members of the community, or could affect the running or reputation of the school, we will respond in line with our behaviour and child protection policies.
- We recognise that age restrictions for social media and online services vary depending on the platform and are subject to change as legislation and regulatory expectations evolve. We will not create accounts for children who do not meet the required age thresholds set out by the relevant service provider and current legal or regulatory requirements.
- We recognise that, regardless of age restrictions or setting expectations, many children and young people will continue to access or be exposed to social media and online content. We are committed to ensuring that all children feel safe, supported and able to talk to safe adults about their online experiences, including any concerns, worries or incidents, without fear of blame or automatic sanction.
- Sissinghurst CE (VA) Primary School will empower our pupils to acquire the knowledge needed to use social media and online services (including emerging features and technologies) in a safe, considered and respectful way, and develop their resilience so they can manage and respond to online risks. Safe and appropriate use of social media will be taught to pupils as part of an embedded and progressive safeguarding education approach using age-appropriate sites and resources. Further information is contained within our child protection and relevant specific curriculum policies including RSE and Computing.
- We are aware that many popular social media sites are not permitted for use by children under the age of 13, or in some cases higher. As such, we will not create accounts for pupils under the required age as outlined in the services terms and conditions.
- Pupils will be advised:
 - to consider the benefits and risks of sharing personal details or information on social media sites which could identify them and/or their location.

- to only approve and invite known friends on social media sites and to deny access to others, for example by making profiles private.
 - not to meet any online friends without a parent/carer or other appropriate adults' permission, and to only do so when a trusted adult is present.
 - to use safe passwords.
 - to use social media sites which are appropriate for their age and abilities.
 - how to block and report unwanted communications.
 - how to report concerns on social media, both within the setting and externally.
 - to consider how they communicate also whilst gaming and with AI devices.
 - how to report concerns within the school, including speaking to a safe adult or a Designated Safeguarding Lead.
- Any concerns regarding pupils use of social media will be dealt with in accordance with appropriate existing policies, including anti-bullying, child protection and behaviour.
 - The DSL (or deputy) will respond to social media concerns involving safeguarding or child protection risks in line with our child protection policy.
 - Sanctions and/or pastoral/welfare support will be implemented and offered to pupils as appropriate, in line with our child protection and behaviour policy. Civil or legal action may be taken if necessary.
 - Concerns regarding pupils use of social media will be shared with parents/carers as appropriate, particularly where there are safeguarding or age-related concerns.

7. Responding to policy breaches

- Sissinghurst CE (VA) Primary School recognises that online abuse, bullying, harassment or intimidation of staff is unacceptable. Concerns involving harmful, abusive or threatening online behaviour towards staff by pupils, parents/carers or members of the wider community will be taken seriously, recorded as appropriate, and responded to in line with relevant policies and procedures, including behaviour, complaints, staff conduct, safeguarding and, where appropriate, police reporting processes. Sissinghurst CE (VA) Primary School expects all communication, including communication via social media, to be respectful and constructive.
- Concerns relating to photographs, videos or other images shared via social media, including inappropriate sharing, unauthorised publication, misuse, manipulation or the use of artificial intelligence to create, alter or generate imagery, will be taken seriously. The school will respond in line with safeguarding, child protection, data protection and behaviour procedures. This may include removing content where possible, recording concerns, supporting affected individuals and seeking advice from, or reporting concerns to, external agencies where appropriate.
- All members of the community are informed of the need to report policy breaches or concerns in line with existing school policies and procedures. This includes: child protection and behaviour policy.
- After any investigations are completed, leadership staff will debrief, identify lessons learnt and implement any policy or curriculum changes, as required.
- We require staff, parents/carers and children to work in partnership with us to resolve issues.

- All members of the community will respect confidentiality and the need to follow the official procedures for reporting concerns.
- Children, parents and staff will be informed of our complaints procedure and staff will be made aware of the whistleblowing procedure.
- If we are unsure how to proceed with an incident or concern, the DSL (or a deputy) or headteacher will seek advice from the local authority or other agencies, as appropriate, in accordance with our child protection policy.

8. Policy monitoring and review

- Technology evolves and changes rapidly. Sissinghurst CE (VA) Primary School will review this policy at least annually. The policy will be revised following any national or local policy updates, any local concerns and/or any changes to our technical infrastructure.
- We will regularly monitor internet use taking place via our provided devices and systems and evaluate online safety mechanisms to ensure that this policy is consistently applied. Any issues identified will be incorporated into our action planning.
- All members of the community will be made aware of how the school will monitor policy compliance through AUPs and staff training.
